My dear professor Lyon

I have been greatly disappointed in not hearing from you as I have already written two different letters & received answer for none. I will be so delighted if you will be kind enough as to write & tell me if you care for any thing more or not as I have great many interesting modern things that I have collected from among the Syrian emigrants. I have now a very good hand mill two

very handsomly inscribed
words an Oral test a
man object of interest.
Do please write & let me
know if you can to see
any thing or not. with
best wishes
I remain
respectfully your
